

AGOSTINO SANTONI

Agostino Santoni, member of the Company's Board of Directors since 2022, with reference to the current mandate, he was elected on 27 April 2023 from the list presented by Fondazione Ente Autonomo Fiera Internazionale di Milano.

He is the Vice President of Cisco Southern Europe and he is responsible for the Cisco business in Italy, France, Spain, Portugal, Greece, Cyprus, Malta and Israel since November 2020, Vice President of the Confindustria Digitale.

Agostino Santoni has decades of experience in the Italian IT industry: from the end of 2012 to March 2021 he covered the role of Chief Executive Officer of Cisco Italy, previously, from 2009 to 2012, he was CEO of SAP Italy.

He started his professional career in Compaq Computer where, following the merger with HP, he held roles of increasing responsibility for the Italian branch of HP and for the parent company up to the position of Vice President & Enterprise Sales Director of HP Italy.

From 2014 to 2017 Agostino was also President of Assinform and, from October 2021 to May 2022, he was President of Confindustria Digitale.

The key quality that characterises Agostino's style of leadership, it is undoubtedly the way he builds inclusive and innovative environments in which individuals and teams feel engaged and able to thrive.

Member on the Board of Trustees of the Cisco Foundation.
